

Parking Lot Lighting

Product Description:

High performance LED parking lot lighting provides better visual acuity and better uniformity while saving over 50% of the current energy cost. Foreverlamp LED parking lot fixtures in our new sleek design use the most current LED technology to deliver optical performance needed for parking lot applications. Options include LED packages from 11,200 lumens to 68,000 lumens.

Performance Summary:

Delivered Light Output: 11,000 to 68,000 Lumens

Input Power: 80W to 500W

Efficiency: Up to 140Lm/W

Power Source: Electronic driver by Meanwell

CCT: 5000°K/4000°K

Input Voltage: 100-277 VAC, 240-480 VAC

Limited Warranty: 5 years

Mounting: Pole mount, wall mount, U bracket

Dimming: 0-10V

Listing: cUL Listed, DLC Qualified

LED Lifespan L70: 120,000 hours

Environmental: Ambient Temperature: -40C to +50C
